GOVERNMENT OF BOMBAY.
Political and Services Department.
Government Circular No.2735/46-F
Bombay Castle, 5th February 1951.

Government has repeatedly impressed upon the Collectors and other Heads of Departments the necessity for speedy disposal of pension cases of the former State servants as also of other Government servants. It has been noticed that inspite of these ~~XXXX~~ orders abnormal delay occurs in local offices in the disposal of these cases. The delay in preparing pension papers and issuing pension payment orders is in most cases deplorable. It takes several months before pension payment orders are received by retired Government servants and during all this interval they have to undergo great hardships and worries. Orders have been issued for the grant of provisional pension but in many cases these orders are not given effect to and even when they are put into force there is considerable delay and in the meantime unnecessary hardship is caused to the persons concerned.

2. As it is very essential that this state of af-

affairs should be remedied the Collectors and the Heads of the Departments are requested to pay personal attention to this matter and to see that the pension papers are prepared in good time so that it should be possible in every case to issue the pension payment order within one month of the date of retirement.

Bombay.

Subject:- STATE PERSONNEL.....GRANT OF PENSION TO.....

Sir,

Referring to para 1, of Finance Department letter No. 7820/21910-Pen. dated the 16/5/50, on the subject cited above. I beg to state that the contents thereof, are not clear for the following reasons:

(1) It has been stated that by Finance Department that the gratuity may be paid to the State Servants with less than 3 years of service at the rate of one month's salary for each completed year of Service. It is presumed that the term "Service" used by Finance Department is to be interpreted as "Duty". This may please be confirmed.

(2) The terms "Salary" and "Average Pay" are it is presumed, used in the same sense as "Pen

sionable Pay" as defined in rule 9(41) B.C.S.Rs.

3. "Average Pay" will not be calculated in the case of persons electing B.C.S.Rs. as gratuity under B.C.S.Rs 288 (b) is to be based on the pay last drawn and not on "the average Pay". The proposed action may please be confirmed.

4. It is not clear now the average pay should be worked out where less than 3 years duty may be in terms of years, months and days also. It is proposed to work out the average on the full No. of months completed prior to retirement (e.g.) in the case of a person whose service (and also duty) is from 7/9/47, to 25/10/49=2yrs. 1m.19d. the average pay will be worked out on the period from 20/9/47 to 25/10/49, in terms of completed months only by omitting the emoluments for the period from 7/9/47 to 25/10/47. It may therefore, please be stated whether this proposal is agreeable to Government.

5. Copies of Government Orders on these points, when issued, along with the copies of this reference and Finance Department Letter dated the 16/5/50 referred to above and this office letter to which it is a reply, may please be forwarded to all Heads of Departments for their guidance, as the points raised by this office are required by all of them for the fixation of final pensions and gratuities of retired state personnel.

Yours faithfully,

S/d

Subject:- Grant of Pension and Grantuity to the
ex.state employees.

Sir,

With reference to your letter No.P.R.III states/1023 dated 16th June 1950, I have the honour to state that the presumptions made in paragraphs (1) to (2) of the letter are correct.

As regards paragraphs 4 it may be stated that state employees are to be paid gratuity either under Bombay Civil Services Rules or as indicated in paragraph IV (a) of Govt. Resolution, Political and Services Department, No. 2735/46 dated 18th July 1949 which ever is more liberal. As gratuity calculated according to the Bombay Civil Services Rules is likely to be more liberal the question of calculating average pay may not arise. The suggestion in para 4 regarding calculation of average pay is however approved by Government.

Yours faithfully,

Prompt disposal of

GOVERNMENT OF BOMBAY.
FINANCE DEPARTMENT.
Circular No. 3266/33
Bombay Castle, 19th Jan. 1951.

In Government circular, Finance Deptt. No. 3266/33, dated the 8th Jan. 1946, Govt. has issued detailed instructions which are to be followed by the authorities competent to sanction pensions. These instructions are intended to obviate delay in pension cases. In Govt. Circular, Finance Deptt. No. 3266/33, dated the 28th June 1947, all departments of the Secretariat have been directed to pursue each case of delay as and when it comes to their notice and take appropriate action against the persons proved to be responsible for the delay. Instances are however, still brought to the notice of Govt. where avoidable delay in the settlement of pension claims has occurred. Govt. is therefore, pleased to direct that all Heads of Departments should report district-wise to the Finance Deptt. direct the numbers of pension cases of Govt. servants belonging to each of the Class I Class II, Class III, and Class IV services, separately, who have not been sanctioned pensions till the 1st January, 1951. The figures showing the numbers of cases in which the sanctions to pensions have been delayed, till January 1951, should be further tabulated separately in ~~in~~ each of the following groups :-

Cases delayed for

- (a) less than six months.
- (b) more than six months, but not exceeding one year.
- (c) more than one year but not exceeding two years and
- (d) more than two years.

41

The delay should be computed from the date of retirement save where a Govt. servant has proceeded leave, preparatory to retirement in which case, it should be computed from the date of commencement of such leave. The reports should be confined to cases other than those of the former merged state employees cases of retired Govt. servants of Bombay State, which should be reported. The reports should be submitted to the Finance Deptt. by the 31st January 1951 at the latest.

2. I am directed to inform you that, so far as the Public Works Department Secretariat is concerned, there is only one case of pension of a Govt. servant belonging to the Class III services, which has not been sanctioned till the 1st January 1951. Due to the sickness of the person concerned, his thumb and finger impressions as well as the necessary declarations, which were to be signed by him, could not be obtained till the 26th instant. Hence, the case was delayed for more than six months but not exceeding one year.

As regards detail required under sub-item (a), information is being collected from my Executive Engineers, and a consolidated report will be submitted to the Govt. as early as possible.

3. The delay involved in the disposal of the cases as shown in the annexed statement, has been explained and it will be observed that in no case it was avoidable. There are at present three cases of pensions in this Circle - one under Class II (Poona District), one under Class III (Belgaum Dist). & the third under class IV services (Belgaum Dist). All the cases are coming under the category (a) of the Govt. Circular under reference i.e. cases delayed for less than six months. The delay is due to the incomplete pension papers submitted by the Executive Engineers and are under correspondence with them. As regards pension papers, under class IV, the Executive Engineer has reported that the same is under correspondence and the papers are being submitted immediately.

Shri D.G. Divekar, Late Senior Accounts Clerk
was made to retire from Government Service from
27/8/49 vide, Govt. letter, Public Works Deptt. No.
9342/36-E(II), dated the 23/8/49. The preparation of
his pension papers could not be taken up immediately
as his pay was to be refixed as per G.R., P.W.D., No
6919/36-IX, of 2/6/49. Accordingly the pay fixation
statement together with the Service Book was sent
to Accountant General, Bombay, under this office No
G.44, of 11/10/49 for verification and return, which
was not returned until 8/5/50. The preparation of
pension papers was then taken up after the previous
services were got verified, and the papers were fin-
ally sent up to Accountant General, Bombay, under this

73

office No G.84, of 4/8/50.

2. In view of the above facts, no considerable delay was caused by this office in the preparation and submission of the pension papers of Shri Divekar.

It has been brought to the notice of Govt. that Shri Gashji Keshitiram, Watchman, in your Dn. retired from the service on 18/2/50, while his pension papers were received in the office of the A.C. Sub: Delay in disposal of Pension cases
(Shri C.R. Chandrashekhariah).

Ref: Your End. No.G.85/D.D. of 23/4/1951. I have
to state as under :-

(1) Shri C.R. Chandrashekhariah, retired surveyor,
was partly on work charged and temporary establishment
from 25/2/22, to 11/8/29 and again from 1/11/30 to 15/
10/42 in the defunct Dharwar Irrigation and Kanara Dn.
From the service book it may be seen that no details
of service were recorded upto this period, nor any state-
ment showing history of service was left with the service
book. He was brought on permanent establishment from
1/4/43. This office therefore, had to collect the infor-
mation regarding the details of service, from the Ex. Engr.
Kanara and from the available documents from the pension-
er. Accordingly the Ex. Engr. Kanara, was ~~referred~~ refer-
red to in the letter in Nov. 49 and on receipt of the in-
formation by the end of Jan. 50, the preparation of pen-
sion papers was taken up. But the service rendered by
the pensioner in the defunct Dharwar Irrigation Dn.
could not be verified due to the non-availability of re-
levant documents. However, the same was subsequently
verified with the help of original documents available
with the pensioner which required much of the time, as
the required documents and information were not readily
available in this office. This fact had already been
reported in para 2 of this office No.G.84 dated the 2/
11/50, addressed to the Accountant General Bombay, through
you.

(ii) Secondly the question of fixation of pay of Shri Chandrashekhariah was under correspondence, in view of the orders contained in G.R.P.W.D. No.6919/36IX dated the 1/4/49, The pension papers could be not finalised up without fixing the pay in revised pay scales.

(iii) Besides the completion of documents required for the preparation of pension papers, was delayed to some extent by the pensioner.

(iv) Lastly, it will not be out of place to mention here that due to heavy pressure of abnormally increased work in this Dn. prior to the creation of Dharwar Irrigation Dn., some delay might have been caused directly or indirectly in the submission of the pension case in question which was ~~inexorable~~ inevitable.

2. In view of the facts detailed above, the final submission of the pension papers of Shri. Chandrashekhariah were delayed, which could not be avoided and is regretted.

3. The main factors which causes delay in the preparation of pension papers are:-

(1) Due to incomplete service books etc., (2) In some cases the services could not be verified due to the non-availability of old records. Since now the service books will be completed and verification certificate recorded therein every year, there will be no difficulty in preparing the pension papers hereafter. However, the instructions contained in G.L.F.D. No., 7820/33/62336 Ben dated the 4/5/51, will be followed, whenever necessary. Thus due care will be taken to minimise the delay in future.
